14TH July 2009

NOTICE - SPECIAL GENERAL MEETING OF THE ASSOCIATION

A GENERAL MEETING HAS BEEN CALLED FOR THE PURPOSE OF PROPOSING THE FOLLOWING SPECIAL RESOLUTIONS TO ALTER THE CURRENT AKA STATEMENT OF PURPOSES.

DATE: 21st August 2009

VENUE: Rendezvous Hotel, 328 Flinders Street, Melbourne VIC 3000

TIME: 9.00am

Kind regards
Pam Arnett
National Secretary

AGENDA ITEMS ONLY FOR THIS MEETING:

In order to rescind the resolutions passed at the general meeting on 29 October 2005 and to adopt a new form of constitution, the AKA Inc members in a general meeting must pass the following motions:-

1. The resolutions passed at the general meeting of the association on 29 October 2005 set out below are hereby rescinded:-
 - (a) Resolution that the AKA Inc takes all necessary steps to change its registration as an incorporated association under the *Associations Incorporations Act (Vic) 1981* and migrate to become a company limited by guarantee incorporated under the *Corporations Act (Cth) 2001*.
 - (b) Resolution that the AKA Inc endorses the form and proposed constitution attached to the notice of this meeting as the form of constitution to be adopted by the company limited by guarantee in to which the association intends to migrate at the inaugural general meeting at the said company.
2. The AKA Inc replaces its present constitution with the form of constitution attached to the notice of this meeting effective from 1 July 2009.

Proposed constitutional changes

1. Membership - After much discussion, the membership remains the same, being the 6 state and 1 territory Karting Associations (rule 2.2). However, to limit the ability of individual state members to frustrate the management of the AKA, the new constitution limits the ability of members to call a general meeting (rule 21). For an association to call a general meeting, it must have the support of at least a majority of associations (43% or more) and must first provide evidence to the AKA that it has been directed by a majority of its members in a general meeting to call a special general meeting.
2. The Board – The current four person executive of the AKA will be replaced by a board of management comprising 9 positions (rule 7.1). The nine positions are as follows:-
 - (a) An independent chairman (rule 7.5). The chairman is nominated prior to each AGM by the board but bases election by the members at the AGM. In other words, the board endorsed chairman can still be challenged for his position in the usual way by an opponent proposed by members. The chairman is elected at the AGM for a 12 month term and may serve more than 1 term.

- (b) Five elected board members, specifically elected to each of the following positions of responsibility-finance, administration, competition, technical, promotional and marketing. Each elected director is elected for a 3 year term (rule 7.2).
- (c) Karting industry representative nominated by the association which best represents the karting industry (rule 7.11). If there is no obvious representative board for the karting industry, then the AKA board itself can call for nominations generally from the karting industry. The karting industry director is appointed for a 12 month term and may serve more than 1 term.
- (d) Two additional directors appointed by the board for terms of 24 months (rule 7.1). The purpose with the nominated directors is to ensure that where required, the board can co-opt specialist directors. It is not necessary for the 2 positions to be filled however, the need to appoint specialist may emerge in special circumstance or if, for instance, no candidate nominates for a particular elected position.
- (e) No elected board member may occupy a particular directorship for more than 2 consecutive terms, although they can shift to a different directorship to continue serving on the AKA board (rule 7.10). Nominees for the position of elected director will be subjected to an endorsement process to be conducted by a team of independent management professionals (rule 7.4).

It is anticipated that the AKA board will engage an external HR firm to scrutinise all nominees for elected director positions (particularly nominees that have already been recommended and endorsed by the same HR consultants. Rule 7.4 of the new constitution sets out 9 general qualifications candidates are ideally expected to demonstrate.

3. Interim appointment of directors – In order to ensure the continuity of management in the AKA, it is anticipated that as from 1 July 2009, the new board of the AKA will be the current 4 executive members – the treasurer will become the finance director; the president will become the administration director; the secretary will become the competition director; and the vice president will become the technical director. The balance of the AKA board from 1 July 2009 until the 2009 AGM, will be made up of **an interim chairman pending the election at the AGM of an** independent chairman, a competition director and a karting industry nominated director. The interim board may also appoint one or both additional appointed directors.

The period of service of the interim board from 1 July 2009 until the 2009 AGM will not be treated as a “term” for the purposes of rule 7.10, which restricts any board member to no more than 2 consecutive terms in a

particular post. However, at the 2009 AGM, the posts of administration and technical directors will be subject to election. Similarly, at the 2010 AGM, the finance director will be subjected to election and at the 2011 AGM the marketing director and competition directors will be subject to election. This will ensure that at no single AGM the entire board face re-election, similar to the staggering of elections seen in public companies.

The effect of these migration provisions will mean that after the 2009 AGM, the only AKA executives who will remain on the board by reason of rule 7.1 and rule 11 will be the treasurer (as finance director) and the secretary (as competition). The treasurer faces election at the 2010 AGM and the secretary faces election at the 2011 AGM (rule 11). **The chairman is an annually elected position at each AGM (rule 7.5)**

4. Management Structure – Below each elected board member under rule 7.1, will sit a committee devoted to each elected directors' area of responsibility (rule 9.1). While the board appoints the members of each of the five committees (rule 9.2), each ordinary member may nominate 1 or more members of its members for a position on each committee who is suitably qualified for the satisfaction of the AKA board. Each association is entitled to have at least 1 representative on each committee. Each association is responsible for its own representative on each committee subject to the board having the ability to "unappoint" any committee members it has appointed.

The purpose of rule 9 and its committees of management is to ensure that each state and association member of the AKA has input into the 5 principle areas of activity of the AKA. However, each committee is chaired by its relevant director from the AKA board (rule 9.1) and any motions or recommendations from a particular director to the AKA board will always be subject to the support of the AKA board, or at least its majority. This structure is designed to limit the ability of individual states to countermand the authority of the AKA board in future.

In addition, the new constitution provides the board with the authority to appoint a general manager to oversee executive functions of the AKA (rule 12).

The five elected Board members will be specifically elected to one each of the following positions of responsibility:

- (i) knowledge of karting in general.
- (ii) Previous experience in organisational work in either private, business or community activities. Ideally this experience will have been gained as a committee member or Board member.

The Chairman will be elected by the members at the Annual General Meeting and will not hold any other office within the AKA or its members during his term as chairman and may serve more than one term. The Chairman will also be responsible for keeping the Ordinary and associate members notified of any matters considered by the Board which in the Chairman's opinion reasonably affect their interests in the AKA, as a separate portfolio of responsibility.
- 7.6 A casual vacancy on the Board will be filled by the Board at its discretion and with reference to any outside consultant involved in the endorsement process for election of Board members. A Director appointed to fill a casual vacancy will be appointed only until the next AGM of the AKA, at which the position will be subject to re-election for the balance of the term then remaining.

- 7.10 No elected Board member may occupy a particular directorship for more than two consecutive terms. This rule does not prevent a particular Board member, having served two consecutive terms in one position, from standing for another position in the AKA or occupying a non-board position for more than two non-consecutive terms or standing for the original position after serving a term in another position.
- 7.11 The Board member appointed under clause 7.1 by the Karting Industry, will be nominated from year to year by the body which the Association reasonably considers best represents the Karting Industry within the discretion of the Board. If no such body reasonably exists or no single body is manifest, then the Board will call for nominations generally from the Karting Industry a reasonable time before the next Annual General Meeting.

R7 The Board

7.1. The AKA is managed by a Board of Directors of a maximum number of 5 elected by the members for the terms provided under Rule 7(b) herein; plus an additional director nominated by the Karting Industry Association from year to year for a term of 12 months; and up to 2 additional Directors appointed by the Board for terms of up to 36 months. The five elected Board members will be specifically elected to one each of the following positions of responsibility:

- (i) Finance Director
- (ii) Administration Director
- (ii) Competition Director
- (iv) Technical Director
- (v) Promotional and Marketing Director

7.2 Each elected Board member will be elected for a three year term. In order to avoid the entire Board being re-elected at one General Meeting, the initial Directors who become responsible as Administration Director and Promotional and Marketing Director will be elected for an initial term of twelve months only and the Director initially elected to be responsible as Technical Director will be elected for an initial term of two years only. Thereafter, each of those three positions will be elected for three year terms.

7.3 Nominations for the position of an elected director (including Chairman) must be received by the AKA at least 30 days prior to any election.

Nominations must be:

- (i) in writing;
- (ii) signed by a nominator and a seconder, who must each be authorised representatives of different ordinary Members; and
- (iii) certified by the nominee expressing his/her willingness to accept the position for which he/she is nominated.

7.4 Any nominees for the position of an elected Director (including Chairman) will be subject to an endorsement process to be conducted by an independent management consultancy to determine whether such nominees stand as endorsed nominees for a particular position.

Nominees must resign any office which they hold within motorsport at the club, state or national level, if elected to the position for which they have nominated, subject to rule 11. Nominees for elected Director positions should ideally demonstrate knowledge, skills and commitments in the following areas:-

- (i) knowledge of karting in general.
- (ii) Previous experience in organisational work in either private, business or community activities. Ideally this experience will have been gained as a committee member or Board member.
- (iii) A demonstrated ability to understand a wide scope of community issues, including requirements and objectives of governing not for profits bodies.
- (iv) Management or administration skills, including financial management and common law obligations in the areas of corporate governance, Director's duties and responsibilities.
- (v) Professional or commercial background, particularly in the specialised area of expertise for which they are being nominated to be elected to oversee on the Board.
- (vi) Excellent presentation and communication skills.
- (vii) An ability to demonstrate major achievements or contributions in previous roles either within or outside karting.
- (viii) An ability to work and communicate effectively within a group and with external parties.

- (ix) An understanding of the strategic planning processes and the ability to implement developed procedures.

Nominees for elected Director positions must submit a curriculum vitae outlining their experience and suitability as Directors.

- 7.5 The Chairman will be elected by the ordinary members at the Annual General Meeting and will not hold any other office within the AKA or its members during his term as chairman and may serve more than one term. The Chairman will chair the Board and be the public face of the AKA. The Chairman will also be responsible for keeping the Ordinary and associate members notified of any matter considered by the Board which in the Chairman's opinion reasonably affects their interests in the AKA, as a separate portfolio of responsibility.
- 7.6 A casual vacancy on the Board will be filled by the Board at its discretion and with reference to any independent management consultant involved in the endorsement process for election of Board members. A Director appointed to fill a casual vacancy will be appointed only until the next Annual General Meeting of the AKA, at which the position will be subject to re-election for the balance of the term then remaining.
- 7.7 A Board member may be removed
- (a) pursuant to rule 8.2; or
 - (b) by resolution of the ordinary members in accordance with the Act; or
 - (c) upon the expiry of their term under rules 7.2 or rule 11.
- 7.8 Each board member by accepting appointment or election to the Board agrees to resign in the event that a majority of the Board passes a motion of no-confidence in that particular Board member, and the vacancy caused by such resignation will be treated as a casual vacancy until the next following General Meeting.
- 7.9 Where there is either no nomination for any position under clause 7.1 or no nominee satisfies the endorsement process for any position under clause 7.1, then such position will be considered to be a casual vacancy and may be filled pursuant to clause 7.6.
- 7.10 No elected Board member may occupy a particular directorship for more than two consecutive terms. This rule does not prevent a particular Board member, having served two consecutive terms in one position, from standing for another position in the AKA or occupying a non-board position for more than two non-consecutive terms or standing for the original position after serving a term in another position.
- 7.11 The Board member appointed under clause 7.1 by the Karting Industry, will be nominated from year to year by the body which the Board reasonably considers best represents the Karting Industry. If no such body reasonably exists or no single body is manifest, then the Board will call for nominations generally from the Karting Industry at least 30 days before the next Annual General Meeting.
